

Blessed is the one

1. Blessed is the one who trusts in the Lord
And who's confidence is in him
My soul finds rest in God alone,
Salvation comes through him. - Repeat

You Alone are my Salvation, My Fortress I will not be shaken

2. Blessed is the one who walks with the Lord
And who's hope for Life is in Him
The help and refuge of my soul
Redemption comes through Him. - **Refrain**

In Troubled times you find me
Where does my help come from
The Lord is strong to save me
I will rest within his love - **Refrain**

3. Blessed is the one who trusts in the Lord
And who's confidence is in him
The help and refuge of my soul
Redemption comes through Him. Yeah

Undefined

1. Going through the motions of my day
As I drift along the way, waiting for life to begin
Then like a stream, that rolls into the sea
Without a boundary -I've lost my heart and soul again
But I know, that there is so much more, than the man I was before -
Knocking at your door

Refrain

You Define the undefineable, you reach for the unreachable
You redeem the unredeemable by your love
Help me believe the unbelievable, and to see the unforeseeable
I want to be the person you see in your mind,
You define the undefined

2. Lost, I've lost a part of me, result of tragedy
I feel as though I've lost my hold
Overwhelmed, by the suddenness of change, and I am not the same
Where do I go to be made whole?
But you, remind me who I am, you're the rock on which I stand
Won't you bring me back again? **Refrain**

Bridge

Your love never, changes ever; you remain the same - Repeat x 2

Final Refrain

You Define the undefineable, you reach for the unreachable
You redeem the unredeemable by your love
Help me believe the unbelievable, and to see the unforeseeable
Help me to dream of the undreamable again
I want to laugh at the impossible, I want to reach for the improbable

I want to see the person you see through your eyes
You define the undefined - By your Love I am Defined

4 to Go

1. Another moment in my life another day gone by
When you add them all together it might appear I'm killing time
Although the opportunity walks in front of me every day
The moment seems to pass me by without a word to say

2. The news I have to tell you, just may change your life
The story of eternity, is more than wrong or right
But I want you to like me; I'm not looking for more pain
I want to bring you sunshine, but my silence brings the rain

Refrain

What are we doing here, what are we waiting for
In every circumstance we don't go alone
If the world is really dying, 'cause the truth they just don't know
Then take the three to get you ready, your number four and it's time to go

3. I've a feeling you won't like me and I may not know you
Perhaps the lack of Jesus love is the wedge between the two
But if the greatest love of Jesus can wash away our common stain
Then let Love be the courage for what I have to say - **Refrain**

4. So is it ONE for the money and what you stand to lose
Is it TWO for the show, your respect thrown out the door
Then take the THREE to get you ready, Father, Son and Holy Ghost
Cause the chance is yours and yours alone, you're number FOUR and
it's time to go - **Refrain x 2**

Eyes on You

1. Let's take a moment to be honest - I like to do what I like to do
The things that fill me up and make me someone
Are the things I hope impress me and you
Oh, But when I stop to think about it - I have to wonder at it all

Chorus

What's the point if my eyes aren't on you
It's like playing a game that nobody wins
Gonna need your help to keep my eyes on you Jesus
Cause I'm good at chasing down the wind
Gotta keep my eyes on You

2. What I have isn't really good enough
There always seem to be something more
But it always ends up moving just beyond my reach
and again it leaves me feeling poor
I have a feeling that if I even got it - that It would never be enough

Chorus

Bridge

Because I often lose my focus And I quickly lose my way
Help me to find my through darkness
And see the better side, the brighter light, the beauty of the Day

3. So what do I take from all these "lessons"
That serving people is like serving You
And to be content with all the blessing that you give me
To see my old life be made new
Oh, and what a better a life we're given When our treasure is in
heaven – **Chorus 1**

Chorus 2

Here's the point when my eyes are on you
I'm seeing life in a different way
Living it out as I keep my eyes on you Jesus
I'm no longer chasing down the wind
Gotta keep my eyes on You yeah
Gotta keep my eyes on You yeah

Open the Door

1. I wonder if you ever tire of hearing from me
And all my wants and my needs and my pride
When I walk past so many opportunities
Because they're not what I want for my life
Ask and receive, though I don't always ask for what's right
Help me to seek you and finally step into the light

Refrain

When you open the door I pray that you find me
As a child that is seeking your face
When you open the door please give me the courage
To walk through in your mercy and grace... when you open the door

2. Seek ye first the kingdom and your righteousness
And all your needs will be given to you
As I struggle with the worries and the plans of life
Help me believe in this promise and truth
Seek and I'll find, the road that will lead me to you
And the path that will take me
To the doors you want me to walk through – **Refrain x2**

You Are Amazing

1. From the rising of the son, your glory comes to everyone
And in the light of this new day we see you are amazing
From the life that you have made and the voice that sings your
praise
To the eyes that see your face, we see you are amazing - YOU ARE
AMAZING

Refrain

Oh Lord, thank you for what you've given me... let the people sing
Oh Lord, Thank You for what you've given me!

2. For the Blessing that you give, the time of Grace in which we live
For the joy of simple things, we see you are amazing
For the Day you made me new, when you called me back to you
And all the times you've seen me through - oh you are amazing -
YOU ARE AMAZING - **Refrain**

3. For the cross, the crucified. For Jesus perfect sacrifice
The empty grave that gives us life - oh you are amazing

That you have come to take our place, to show us mercy love and
grace
With joyful hearts we sing your praise, you are Amazing - YOU ARE
AMAZING - **Refrain X2**

The Child Remains

1. Train, train number nine, going down Chicago line
If the train falls off the track, do you want your money back
Yes... or no
Only seems like yesterday, school let out the month of May
Summer fun had finally come, dancing underneath the sun
Do you remember when, do you remember when?

Chorus

Summer feels like when I was young, and the time to play had finally
come - Oh it could never end
But as Autumn leaves begin to change and nothing seems to be the
same - The little child remains - The child in me remains

2. Bubble gum, bubble gum, pieces in a dish of fun
Wishing I had been the one, to finally be set free
But I've been caught again
The end of summer chases us, we can never get enough
Looking to the distant past, time is moving way to fast
Where did it go, where did it go? - **Chorus**

3. The person that I used to be, is sitting right in front of me
I look into the child's face, wondering if he'd take my place
Cause then we'd both be free
It looks like time is catching me, I'm older than I ought to be
I thought that I was finally free, but yet I still believe
The heart of a child remains, the child in me remains - **Chorus**

Chorus 2

The crying child in my daddy's arms, a mother's love that heals the
harms - Time is more than memories
But as seasons change and life moves on, I'm alive and I sing this
song - Because the child in me remains - The child in me remains

4. All my life I've tried to find, the peace I thought I left behind
Then in my Savior's arms I find – the Child in me remains
This child of God remains.

Coming Soon

1. People walking in the Shadows - Fight the Darkness closing in
You will see the new day dawning - See the Light and truly live

Refrain

Behold I am coming soon - My Reward is in my hand
Behold I am coming soon - The Darkness will not stand

2. Forgiven by the Blood of Jesus - See His face in Glory Shine
Holding onto Grace that saves us - Hear the voice of Jesus Cry

Refrain

Bridge

Comfort to the Lost - Comfort those who fear

In the hands of God find comfort - The Strength to overcome
